Our Objective

Sree Ramakrishna Bhajana Sabha as a Trust is a non-governmental organization established in the year 2002. It was registered with Sub-registrar Shivajinagar, Bangalore. Earlier to this period, it was operating as a non-registered body since 1951.

Post registering as a trust, the objective was to expand the activities by adding several social services like providing support to underprivileged organizations through education / medical assistance, providing food to needy people & promoting Sanskrit and Kannada languages.

The trust has been able to conduct these services with the help and support from devotees, philanthropists & the general public.

Message from Team SRKBST

Dear Well Wishers,

Annual report 2021-2022

Greetings!

It is our immense pleasure to share Sree Ramakrishna Bhajana Sabha's journey during the year 2021-2022. Sabha had conducted the annual Kalotsav 2022 Celebration for one day on 1st March 2021. We couldn't celebrate it in the usual 2 weeks duration due to Covid 19 Pandemic spread and government regulations prevailing at that time. We have a plan to conduct a Mega Sanksrit Sammelan event during May 2022 .

We had supported a few of the organizations during this period. We have joined hands with multiple Underprivileged organization during the financial year and predominantly provided one time food for Underprivileged inmates.

Sanskrit Lecture and demonstration was organized, and 14 Sanskrit learned scholars had attended the program during 2021-2022 period.

All this was possible because of our donors, partners, well-wishers, and volunteers who helped us to make this happen. We thank you for your continued trust and support Sree Ramakrishna Bhajana Sabha. We jointly pray almighty for normalcy to return soon and everyone across the world to live happily.

Warm regards,

Dear Sir,

Sub : Assistance to support Monthly Provisions

With reference to the above-mentioned subject, I would like to bring to your kind attention that, I am engaged in serving the Sanskrit Pandits and scholars to perform their daily lectures and discourses. Due to current Pandemic situation, there are no regular programs happening now a days.

Recently I had undergone a Hiranya Surgery and all my saving has been spent for the same. Even though I had received some financial assistance through few of Philanthropists, it would be helpful if small level monthly provision items support can be extended until my son starts earning.

Extremely sorry to seek this assistance due to my current situation, I am forced to solicit this help and support.

Kindly do the needful if possible

Thanking You

Yours faithfully

Dear Sir/Madam,

It is with joy that we write this mail to thank you for your generosity to the marginalised and under privileged families.

We were very happy to see that 15 children attended this function on the 5th afternoon at Kutumba and their families were doubly blessed to receive the packed dinner too.

Needless to say the lunch was much appreciated and the staff and children enjoyed the day.

The variety, choice of menu and the love with which it was organised is deeply appreciated

We are also attaching you photographs.

Thank you once again and we are blessed by this gesture.

Yours Sincerely

Mary Paul
