Dear sir,

Warm Greetings from the children and staff of Association for Promoting Social Action [APSA].

APSA is a child-centered community development organization. We believe that development without the participation of traditionally deprived communities is not development at all. Inspired by the motto, "For Development without Exploitation," we work at the macro levels of the state and country through advocacy and policy planning initiatives. At the grassroots level, we facilitate the empowerment of the urban poor through community-based, interconnected projects promote human and democratic rights. APSA runs a home – called Nammane ["Our Home"] combines a Crises intervention center for children in acute distress with APSA's Regional Residential Training Center for street and working children.

Working with Street children and child laborers, APSA became acutely aware of the dangers they faced in the form of physical and sexual abuse at the workplace and on the streets, especially at night. We also run the Dream school catering to needs of school dropouts, child laborers and for the children of migrated construction workers located near the Dream School.

We take this opportunity to thank you for your kind donation of **Lunch for Nammane and Kanasina Shale children's (Total 80 Members)**. On behalf of the staff and children of APSA, we would like to express our gratitude towards the donation. Thanks again and looking forward to further interactions and cooperation in the future.

Dear Sir,

Greetings from Vidyaranya!

On behalf of Vidyaranya, I would like to thank you for your kind contribution for sponsoring a lunch on 17th March 2023 for 550 Beneficiaries. Your contribution makes it possible for us to cater to more people and impact their lives. Only with such support, we are able to help hundreds of kids who are deprived of the childhood they deserve, will be provided with meals, clothing and shelter. Your awareness impacts women who are victims of trafficking, sexual abuse and other heinous crimes, as well as senior citizens who are deprived of their share of love and enables them to revive their faith in life as well as others.

Only with such support we are reaching to more beneficiaries and we are able to provide them with basic facilities.

Such support has really changed a lot of lives and also gives us faith to keep us going to reach out to the needy.

Your support acts as a pillar which strengthens our motive to reach out to the people in need and provide them with the love and respect they deserve!
